Dear Mr. McDade:

This is in response to your application for STAA Vehicle access from I-85 along several routes in the Gastonia and Lincolnton areas of North Carolina. We have investigated each of the routes and found them to be suitable for STAA dimensioned vehicles. An STAA dimensioned truck was furnished by Yellow Freight System and a run was made all of the proposed access routes. Each of the runs were video taped. No significant problems were found in any of the runs.

The approved routes are as follows:

- (1) From I-85 in Gastonia, Gaston County along US 321 to the interchange of US 321 and NC 150 in Lincolnton, Lincoln County; then, from the intersection of US 321 and NC 150 along the following routes:
 - (a) westward along NC 150 to SR 1236 (Indian Creek Road), and then along SR 1236 (Indian Creek Road) to the industrial park containing Naska Pharmaceutical, Kaiwa Manufacturing, and Vermont American Manufacturing.
 - (b) eastward along NC 150 to SR 1419 (Gaston Avenue), and then east along SR 1419 (Gaston Avenue) to Mohican Mills.
- (2) From I-85 in Mount Holly, Gaston County, northward along NC 273 to the intersection of NC 27, in Gaston County; then, from the intersection of NC 273 and NC 27 along the following routes:
 - (a) along NC 27 northward to NC 150 in Lincolnton, Lincoln County. This access will serve Massey Hardware, Gaston County Dyeing Machine, Dollenger Technalab, Rubbermaid, H. M. Craig, Timken Corp and Price Davis.

- (b) along NC 27 southward to a point in Mecklenburg County approximately one-half mile south of the Gaston-Mecklenburg County Line. This access will serve Hoechst Celanese, Sandoz Chemical, and American & Efird Consumer Division.
- (3) Continue northward along NC 273 in Gaston County from the intersection of NC 273 and NC 27 in Mount Holly to the intersection of NC 273 and NC 16, in Gaston County; then, from the intersection of NC 273 and NC 16 along the following routes:
 - (a) along NC 16 northward to NC 150 in Catawba County.
 - (b) along NC 16 southward approximately two miles to serve Duke Power and Riverside Woodstain.

These routes are subject to compliance to any weight limit restrictions that may exist now or in the future along any of these routes.

Yours very truly,

J. M. Lynch
